Dear Applicant,

Welcome aboard!

On behalf of the thousands of Young Marines and registered adult volunteers, I would like to welcome you to the Young Marine family.

Since our early beginnings, all we have tried to do is to provide a structured and disciplined environment for those youngsters who will eventually make up the nucleus of your organization. Our approach is a tried method that has been so successful that other countries have adopted our mission, goals and objectives, and guiding principles. And we do it the old fashion way, with firmness, fairness, dignity, and compassion.

Our Young Marines have become so engaged in the activities of their communities that the communities have come to expect that they can count on their Young Marines wherever and whenever they need help. Similarly, we are there to lend encouragement and support to that element of our society that is most vulnerable, our youth. You will likely make a lasting impact on the lives of those Young Marines that you have the chance to lead and mentor.

The National Headquarters staff is at your disposal lend any and all assistance that we can to make your job just a little bit easier. We will offer periodic training opportunities in your area and, once a year host the Adult Leaders Conference. This conference is designed to get our volunteers together for an open exchange of ideas. In addition, we have available to you on our web site at www.youngmarines.com our Registered Adult Manual and our Training Officers Guide, and a periodic Staff Gram.

The rewards will be numerous and will likely be reflected in the eyes of those with whom you have had a positive impact.

Thank you in advance for your interest and time in helping to "Strengthen the lives of America's Youth."

Semper Fidelis

Michael B. Kessler
National Director
